An Invitation to Partners

It is our great pleasure and honour to invite you to exhibit at the **2026 Combined Scientific Congress (CSC)** in the beautiful Hunter Valley. As convenors, our committee is committed to delivering a congress that is stimulating, inspiring, and highly relevant, while showcasing one of Australia's most celebrated wine regions. This premier event brings together the **Australian Society of Anaesthetists and the New Zealand Society of Anaesthetists**, providing a unique opportunity to engage with leading professionals in the field.

The Hunter Valley is renowned for its rolling vineyards, gourmet food experiences, and breathtaking scenery—a region where world-class wineries meet boutique breweries, artisanal producers, and award-winning restaurants. Beyond the cellar doors, your delegates can enjoy lush national parks, hot air balloon rides, charming towns, and warm country hospitality. The **CSC2026** will be held at Rydges Hunter Valley, offering outstanding conference facilities alongside accommodation, dining, and leisure activities—all in one stunning location.

The scientific program, is running from **Thursday 8 October to Sunday 11 October 2026**, and the exhibition will run from **Thursday 8 October to Saturday 10 October, 2026** will feature thought-provoking lectures, plenaries, masterclasses, workshops, and practice evaluations led by international and Australian experts. With an all-star line-up of keynote speakers, including **Professor Paul Bowie, Professor Marcy E. Rosenbaum, and Associate Professor Andrew Lumb** this congress will attract delegates from across Australia and New Zealand, all seeking the latest knowledge, innovation, and connections in anaesthesia.

Exhibiting at the **CSC2026** provides an unparalleled opportunity to showcase your organisation to a highly engaged audience of anaesthetists, healthcare leaders, and educators. Beyond the scientific sessions, there will be numerous networking and social opportunities, including welcome drinks, a gala dinner, and relaxed social events that highlight the Hunter Valley's food, wine, and scenery.

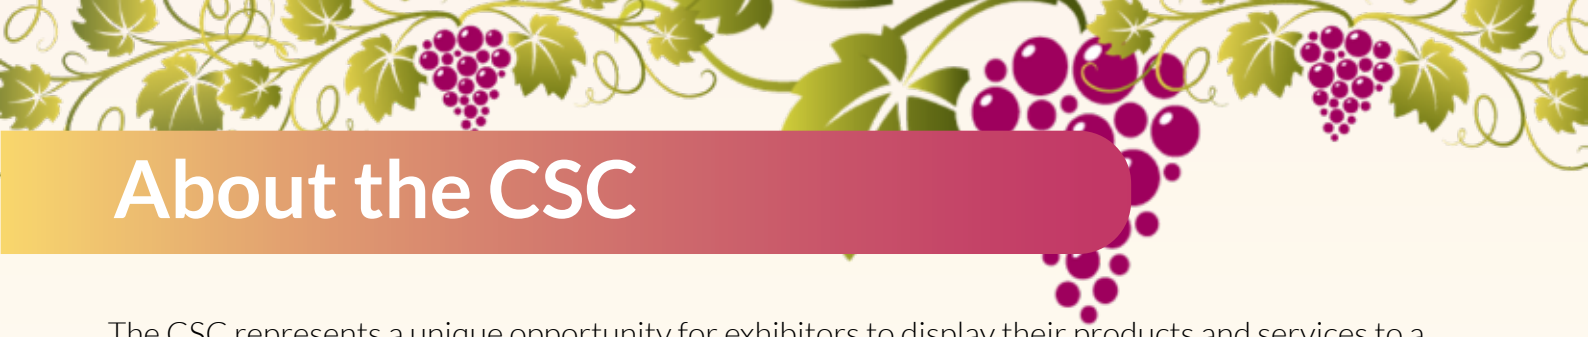

We would be delighted to have your organisation join us as an exhibitor, connecting directly with delegates, demonstrating your products or services, and contributing to the success of this premier congress.

We look forward to welcoming you to the Hunter Valley in 2026 and partnering with you to make this event memorable and impactful.

About the CSC

The CSC represents a unique opportunity for exhibitors to display their products and services to a wide cross-section of the anaesthesia community within a high-quality educational environment.

We anticipate up to 600 anaesthetists and pain medicine specialists in attendance from across Australia and New Zealand.

The CSC committee recognises and appreciates the significant contribution to our Congress from partners and exhibitors. We aim to work collaboratively with exhibitors to ensure a high standard of exposure for your staff and products. This facilitates the development of corporate and professional relationships within the guidelines set out by Medicines Australia.

There are many opportunities for partners and exhibitors to contribute to both the educational and organisational aspects of the Congress. If you don't see something that suits you, get in touch and we can discuss how we may offer an option that does. We look forward to your participation and engagement.

Partners and exhibitors have always been and will continue to remain a key factor in the success of our Congresses.
